NEWSFLASH

SHEFFIELD SHADOW CLINICAL COMMISSIONING GROUP (CCG) ELECTION EXTENSION OF APPLICATION DEADLINE

As you will be aware, Board Members are being sought for the Sheffield Shadow Clinical Commissioning Group (CCG).

The main requirements are:

- 2 days (4 sessions) per month time commitment;
- a willingness to undertake training and development in the role

No prior commissioning experience is necessary.

This is an important opportunity for Sheffield list GPs to join the CCG Board, which will be responsible for the effective use of Sheffield's commissioning budget.

Sheffield LMC Executive would like to encourage all Sheffield list GPs to consider taking up this unprecedented opportunity to influence Sheffield healthcare.

In view of the original timescale for the application process falling mainly within the school holiday period, **it has been agreed that the deadline for receipt of applications will be extended to FRIDAY 16 SEPTEMBER 2011**.
