Following on from our initial meeting in June, a second event has been planned to engage Sheffield GP practices in the GPFV using funding secured from NHS England. **Please note the change of venue.**

This event is open to all represented Sheffield GPs, GP Trainees and Practice Managers, and **we would encourage all Sheffield GP practices to ensure that they are represented.**

The agenda has been co-produced by Sheffield Clinical Commissioning Group (CCG) and Primary Care Sheffield (PCS) and will include examples of working at scale. It is hoped that a presentation will also be given by Richard Vautrey, Chair of the General Practitioners Committee UK.

**Further information about the event will be circulated shortly**
