Further to the newsflash distributed last month, we can now confirm the following speakers and subjects at the above event:

- Richard Vautrey: A National Perspective/Update
- Martin Clayton: Bury GP Federation Ltd
- James Greenwood & Steve Kell: Larwood & Bawtry Primary Care Home
- Martin Smith: MCP Vanguard, NHS Wakefield CCG
- Andy Hilton & Katrina Cleary: A Local Perspective/Update

This will be an important opportunity for practices to:

- receive a national update on the new contractual and working at scale models
- hear about a variety of models that have been introduced around the country
- hear about local initiatives and potential directions of travel

In addition, there will be ample opportunity for attendees to question the speakers, and feedback will influence the content of a series of workshops to be held later in the year.

This event is open to all represented Sheffield GPs, GP Trainees and Practice Managers
We would encourage all Sheffield GP practices to ensure that they are represented in order to influence the direction of travel for Sheffield General Practice
