SALARIED GP - PARTNERSHIP CONSIDERED GLEADLESS MEDICAL CENTRE

We are currently seeking a Salaried GP, with potential consideration for partnership, to contribute to our work in Gleadless Valley. Join our committed team at Gleadless Medical Centre, where we work to our ethos, "People Caring for People."

What We Offer:

- Morning coffee at 8.45am, lunch at around 12.30 and afternoon tea at 3.45pm supports a friendly and stable team.
- Flexible Sessions: 4-5 sessions per week, offering a balance between professional and personal life.
- Competitive Remuneration: £10,000 per session, with comprehensive indemnity including "MPS Plus" and Crown Indemnity.
- Annual Leave & Professional Development: Generous leave provisions and a supportive environment for ongoing learning and growth.
- Innovative Technology: We use EMIS Web and Primary Care IT optimization to streamline care delivery.
- Supportive Team Environment: Excellent nursing and administrative support in a stable and friendly setting.
- No Out-of-Hours Commitment: Focus on your practice within regular working hours.
- Training and Mentoring: Opportunities for professional development in our role as a GP training practice.

We are a key practice in the Heeley Plus PCN, we are at the forefront of collaborative healthcare delivery. We work closely with social prescribers and have exciting plans to integrate further with wrap-around services like Health Trainers and Link Workers. This holistic approach allows us to provide comprehensive care that addresses the broader health and wellbeing needs of our patients.

For more information about our practice, visit www.gleadlessmedicalcentre.nhs.uk

Experience the dynamic community of Sheffield, known for its excellent schools and the scenic beauty of nearby Derbyshire, making it a wonderful place for both personal and professional fulfilment.

SALARIED GP THE FIRTH PARK SURGERY

We are looking for a new Salaried GP ideally with a specialist interest in Care/Nursing homes to join our friendly, forward thinking practice team. We are looking to cover up to 5-6 sessions, this will need to cover at least more than 2 days for the right candidate, but we can offer flexibility. Our Practice is already a large training hub for Registrars, F2s, PAs, and students.

We are keen to hear from any interested applicants but would be particularly interested in applicants wanting to share clinical cover for our specialist mental health nursing homes with our 2 partners who currently provide cover for these.

We are happy to accept applications from candidates with all levels of post CCT experience. We are also happy to consider all applicants approaching CCT to start post CCT.

We offer Regular GP Sessions with 15 minutes for pre booked appointments.

We operate a doctor led triage service by Accurx triage which you have rota'd sessions on which we do in pairs in the morning and a different individual in the afternoon.

If you are looking for an exciting new opportunity, rewarding benefits and joining an innovative surgery, have a caring and committed nature and would like to provide excellent patient care, then this could be the perfect opportunity for you.

Salary is subject to experience per session.

Main duties of the job:

- Regular 15-minute pre booked GP Appointments
- Ideally regular nursing home round sessions (averaging 1.5 a week)
- Oversee Trainees
- Path links
- Documents
- A Share of Duty triage Sessions

We are an over 10000 patient surgery, having 5 partners (Including the Clinical Director of the PCN) within a diverse inner-city population. We strive to provide good access and maintain high levels of care. We are an active member of the PCN and have a passion for training and education. We are part of the Deep End Support Group for Practices, and are supported by Care Coordinators, Mental Health Workers, A Physician Associate and Clinical Pharmacists together with an ACP, 3 Nurses, 2 x Health Care Assistants.

Job responsibilities:

To work as an autonomous practitioner, responsible for the provision of medical services to the practice population, delivering an excellent standard of clinical care whilst complying with the GMS contract. Furthermore, the post holder will adhere to the GMC standards for good medical practice, contributing to the effective management of the practice, leading by example, maintaining a positive, collaborative working relationship with the multidisciplinary team.

Qualifications/Experience:

Essential criteria

- On the UK GP Register
- All levels of experience considered

Desirable criteria

- We would aim to accommodate relevant postgrad qualifications/interest
- Experience of working with and supervising trainees grades, AHPS, and or students

Please apply via [NHS Jobs](#) Website.
