LOCUM GP AVAILABLE FROM APRIL 2019

My name is Catherine Liley. I am a GP of 13 years' experience looking to support practices in need of temporary cover.

I trained in Sheffield but attended the Barnsley VTS and have worked in my final year training practice since, initially as a salaried GP but latterly as a GP partner for 7 years.

I am also a GP trainer and prior to leaving the partnership served on the Barnsley LMC for two years.

I am every experienced with EMIS Web but will be taking training in SystemOne prior to starting locum work in Sheffield.

I will be looking for locum work from April 2019.

I can be contacted as follows: Mobile 07799214583, Email cliley@doctors.org.uk.

You are able to see all of my documents and references by registering your practice on Locum Deck and allowing me to 'link' to your practice - <https://www.nasgp.org.uk/locumdeck/>.

**SALARIED GP/SALARIED GP WITH A VIEW TO PARTNERSHIP
CRYSTAL PEAKS MEDICAL CENTRE**

Are you looking for a position in a "Goldilocks" Practice in 2019? Then read on...this is no fairy tale story!

We pride ourselves on providing a high quality service to our suburban/semi-urban practice population in South-East Sheffield, and bordering Derbyshire. The list profile shows a diverse socio-economic and age mix, the vast majority having English as first language; we seldom require interpreters for our consultations. We strive to balance financial reward with "work to live", and are re-structuring our workforce to acknowledge the pressures of modern General Practice.

To that end, we are looking to recruit 2 GPs, one for 4 sessions over 2 days and another for 6 sessions over 3 days. We welcome applications equally from those looking for permanent salaried status as well as those aspiring to Partnership, either from the outset (at parity) or in the future. We especially encourage applications from GP trainers or those aspiring to become Trainers and are supportive of those wishing to develop special interests.

**NURSE PRACTITIONER
MULBERRY ASYLUM SEEKER HEALTH SERVICE**

15 hours per week
£33,222-£43,041 pro rata

An exciting opportunity has arisen for a nurse practitioner to join this unique service providing high quality and bespoke care for asylum seekers, refugees and victims of human trafficking.

You will provide a drop in clinic service for acute care and also clinics of pre-booked general primary care nursing services for our practice population of approximately 1700 patients. The practice team will comprise 3 part time GPs, 2 nurse practitioners, a part time practice nurse and HCA.

Our standard appointments for drop in clinics are 20 minutes which reflects the usage of interpretation services and also the sensitivity of the cases we are seeing.

Patients at the service may be asylum seekers, refugees with leave to remain and in the process of re-settlement in the UK, or victims of human trafficking. In addition to the sequelae of physical and psychological trauma, you will at times also be treating people who have been without adequate recent medical care.

Mutual debriefing and case discussion is actively encouraged with both GP and nursing colleagues.

The work is always interesting and often challenging, however it is also hugely rewarding. The team is very mutually supportive, with excellent and experienced administrative and secretarial support on site.

We also benefit from strong links with the Health Inclusion team who provide valuable support for our children, and our health visitor provision extends up to the age of 18 for our patients.

The practice provides all the usual primary care services with chronic disease management and drop-in clinics running in addition to the pre-booked GP and nurse appointments.

You will develop new skills in working with people from all over the world, increasing your knowledge of infectious diseases and working with people suffering with mental health conditions such as PTSD. The practice benefits from an on-site TB clinic for latent TB patients picked up at our comprehensive new patient screening clinics.

It will be useful to be familiar with using interpreters both face-to face and by telephone for consultations. It is critical for this post that any nurse applying is open-minded and has a high level of empathy. The most important attributes for the successful candidate will be enthusiasm for work with this group, and excellent communication skills.

It is a fantastic practice to work in and will provide enrichment to any nurse wanting to have a slightly different primary care experience.

You are strongly encouraged to contact the team and visit the service. An opportunity such as this does not come up often.

Please contact our nurse practitioner Siobhan Hayes at Mulberry practice on 0114 305 4050 for informal discussions prior to application.

To apply, please send your CV and a covering letter to Nicola Simpson, Group Manager at Nicola.simpson10@nhs.net.

Closing Date 21 February 2019.

PRACTICE NURSE
HACKENTHORPE MEDICAL CENTRE
15 Main Street, Hackenthorpe, Sheffield, S12 4LA

Circa 22 hours per week

We would like to invite applications for a Practice Nursing opportunity at Hackenthorpe Medical Centre.

The Practice has a well-established and stable partnership. We are a friendly supportive team with approximately 6700 registered patients. We work from a modern purpose built surgery with 4 Partners and 4 Salaried GPs, 1 Nurse Practitioner, 2 Practice Nurses and 3 Health Care Assistants. The Clinical Team is supported by an experienced and dedicated Practice Manager, Business Manager and Administrative / Reception Team.

We are looking for an enthusiastic and committed Practice Nurse to support the Practice in driving our vision forward which is to provide high quality, patient centered care that is accessible, safe and continually meets the needs of patients and carers, to ensure the practice remains sustainable and resilient. The Practice forms part of Township 1, Neighbourhood and is actively engaged in developing the concept of Neighbourhood / collaborative working.

The Practice is a high achiever in relation to QoF and has a 'Good' CQC rating.

The Practice promotes open communication and continuous improvement. This is supported by our Daily Communication Cell Meetings. This gives the MDT Team the opportunity to discuss what has gone well, where improvements need to be made and to celebrate success.

The Practice provides training opportunities for F2 doctors, medical and nursing students.

The Practice has good access to public transport and is in close proximity to Crystal Peaks.

Applications can be accepted through NHS Jobs, or alternatively send a covering letter outlining what you can offer the Practice along with a CV to Hackenthorpe Medical Centre, 15 Main Street, Hackenthorpe, Sheffield, S12 4LA.

Informal visits and discussions are welcomed. Please contact Angela Mirfin, Practice Manager on 0114 2488187 for additional information. Alternatively, please email Angela Mirfin on angela.mirfin@nhs.net.

Closing date:-Friday 15 February 2019.

Interview date: - 28 February 2019.

Ideal Working Pattern - Monday all day, Tuesday (initially late – 1 pm to 7.30 pm with a view to alternating weeks working 8.30 am – 3 pm), Thursday am, Friday am.

**MANAGEMENT ASSISTANT AND DATA / IT ADMINISTRATOR
FOXHILL MEDICAL CENTRE**

160 Fox Hill Crescent Sheffield S6 1GA

25 hours per week, over 5 days (may increase to 30 hours)
Salary £11 - £15 per hour DEPENDING ON SKILLS/KNOWLEDGE BASE

An exciting opportunity has arisen to join the team at Foxhill Medical Centre and we are seeking to recruit a versatile and dynamic individual to complement our well established team. This post will encompass leading our IT service and some managerial roles. There will be the potential to further develop in the area of management and embrace the ever changing practice management agenda. The candidate should be a SystmOne champion with strong IT capabilities as the role will involve problem solving IT issues, optimising our use of SystmOne and supporting the team with any IT challenges. The successful applicant will also be proficient in data management.

This role requires:

- In depth knowledge of SystmOne or other GP clinical system and associated data protection and IG principles;
- Extensive IT skills with data management background;
- Understanding of enhanced service claims, QOF, CQRS, audits, reporting and data management.
- Good understanding of the administrative function of primary care with an interest in practice management;
- Exceptional inter-personal skills;

Foxhill is a friendly, innovative practice with a reputation for providing good patient care. We have a highly supportive team and we value a good sense of humour.

We are high QOF achievers and offer most enhanced services. The post holder will be expected to take an active role in management procedures and liaise with the whole team to ensure they are updated on all SystmOne procedures affecting the practice. We are looking to find someone with a solid foundation in general practice and who is able to problem solve IT issues, whilst ensuring we meet our obligations for contract delivery and patient expectations. The successful applicant will support the Practice Manager to ensure initiatives are implemented across the team so excellent interpersonal skills are essential and must be able to work independently, with initiative.

Satisfactory references and DRB clearance are required for this post.

Informal visits recommended. Please contact Mrs Mandy Neville, Practice Manager on 0114 2327470 or email mandy.neville@nhs.net to arrange an informal visit or for more information.

Applications should be made via NHS Jobs reference J18-A-19-270430.

PRACTICE STAFF AND THEIR CLOSE RELATIVES CANNOT BE PATIENTS AT THE PRACTICE

Closing Date: 15 February 2019. Interviews: 14 March 2019.
