Dr Sarah Roscoe: 07764 514849 SJBedford@doctors.org.uk
Locum General Practitioners

We are taking a month off then will be looking for short and long term locums from mid-May to mid-September.

We are ex principals and work more like a partner than a locum. Reasonable admin and prescription signing can be included.

Path links will be dealt with in suitable protected time. On call may be possible by mutual agreement. We prefer not to do visits as you will get better value if we are in the surgery.

We can be available at short notice to cover if you have an urgent need, often on the same day.

Rates will depend on the sessions notice and duration.

Neither of us need pension contributions so in effect save your practice 14.5% compared to pensionable locums.

Sarah has the Diploma of Practical Dermatology from the University of Wales and is happy to deal with any dermatology problems to save a referral.

Trefor does minor surgery (30 years' experience and an update course a few years ago) and would be happy to discuss doing minor surgery sessions.

We are of course on the performers list, have no outstanding complaints and are fully insured.

We are happy to discuss your requirements.

**GP PARTNER
HACKENTHORPE MEDICAL CENTRE**

4 - 8 Sessions per Week

Applications are also welcome for a salaried GP with a view to Partnership

We would like to invite applications for a GP Partnership opportunity at Hackenthorpe Medical Centre.

The Practice has a well-established and stable partnership. The rare opportunity to become a GP Partner at Hackenthorpe has arisen due to the extremely reluctant early retirement of one of our long-term partners, due to ill health.

We are a friendly supportive team with approximately 6700 registered patients. We work from a modern purpose built surgery with 4 Partners and 2 Salaried GPs, 1 Nurse Practitioner, 2 Practice Nurses and 3 Health Care Assistants. The Clinical Team is supported by an experienced and dedicated Practice Manager, Business Manager and Administrative/Reception Team.

We are looking for an enthusiastic and committed Partner to support the Practice in driving our vision forward which is to provide high quality, patient centered care that is accessible, safe and continually meets the needs of patients and carers, to ensure the practice remains sustainable and resilient. The Practice forms part of Township 1 Neighbourhood and is actively engaged in developing the concept of Neighbourhood/collaborative working.

The Practice is a high achiever in relation to QoF and has a 'Good' CQC rating.

The Practice promotes open communication and continuous improvement. This is supported by our Daily Communication Cell Meetings. This gives the MDT the opportunity to discuss what has gone well, where improvements need to be made and to celebrate success.

The Practice provides training opportunities for F2 doctors, medical and nursing students.

The Practice has good access to public transport and is in close proximity to Crystal Peaks.

To apply please send a covering letter outlining what you can offer the partnership along with a CV to Hackenthorpe Medical Centre, 15 Main Street, Hackenthorpe, Sheffield, S12 4LA.

Informal visits and discussions are welcomed. Please contact Angela Mirfin, Practice Manager on 0114 2488187 for additional information. Alternatively, please email Angela Mirfin on angela.mirfin@nhs.net.

Closing date: Friday 25 May 2018.

New Ollerton, Nottinghamshire

As part of our Practice development plan, we are looking for an enthusiastic and committed GP as a salaried GP / salaried with view to Partnership / Partner with Doctors' Effingham and partners. Over recent years, we have attracted several newly qualified GPs, and so have evolved into a team that provides a supportive working and educational environment.

New Ollerton is in a semi-rural location on the edge of Sherwood Forest, North Nottinghamshire. Good road links offer excellent accessibility to Nottingham, Sheffield, Lincoln and the Peak District.

We are willing to consider full time or part time applications as part of a win-win package and we are willing to wait for the right candidate. Post to commence summer 2018.
