SALARIED GP

UPPERTHORPE MEDICAL CENTRE

(branch site - Ecclesall Medical Centre)

Permanent post

Sessions: 4-8 (negotiable)

An exciting opportunity has arisen for a Salaried GP to join our friendly, supportive 2 site practice in Sheffield, with a view to potential partnership. We are proud to serve the Uppertorpe and Ecclesall communities and to be active members of the City Centre and Sheffield Hallam University PCN.

You would be joining a team of 5 partners, 2 salaried GPs, 2 Physician Associates, 2 Nurse Practitioners and a Clinical Pharmacist, all of whom value collaborative working, support each other to provide high quality patient care and encourage getting the right work-life balance. There is a mixture of experienced and newer partners making this a great place to work whether newly qualified or more experienced.

We are keen to work as a team and have monthly practice meetings at both sites and regular clinical meetings to aid learning. We have medical student placements/group teaching. We are currently in the process of applying to become a training practice with an aim for the first GP trainee to start in February 2023.

Our 4 Practice Nurses, 2 HCAs and experienced administrative and reception teams all pride themselves on providing a caring service and welcoming environment for our patients. We work closely with other organisations and have a physiotherapist, mental health worker and health visitors all providing services from our practice. We also value close links with local charities and have a social prescriber based at the Practice one day per week.

Our patient list is around 12,600 with the numbers split almost equally between Uppertorpe and Ecclesall. Serving 2 communities enables the staff to gain a greater understanding of the diverse health needs across the city and provides variety and development opportunities. Our Uppertorpe practice is a purpose built medical centre whilst our Ecclesall site is a partner owned converted house. Our staff have often commented on how much they enjoy serving both communities and the experiences and opportunities generated by working across 2 sites. However, we recognise that for some staff who are working a shorter number of days, being based primarily at 1 site is more practical and so are willing to consider this and to give a choice of location.

This post would be suitable for a GP of any experience to thrive in. We are looking for a friendly, enthusiastic and committed doctor to complement our existing team.

- Salary negotiable;
- GMS Practice;
- 2 site practice in Sheffield 6 and Sheffield 11;
- Offering extended access;
- NHS Pension Scheme;
- High QOF achievers;
- SystmOne clinical system;
- Aspiring Training Practice (currently medical students only).

For an informal discussion and/or to arrange a visit please contact Emma Wells (Practice Manager) on 0114 2751010.

To apply please send a covering letter and CV to Upperthorpe Medical Centre, 30 Addy Street, Sheffield, S6 3FT or email to e.wells4@nhs.net.

Closing date: We are not setting a closing date for this post - we will interview suitable candidates as applications are received and will appoint as soon as we find the right candidate. If you are thinking of applying please do notify us (e.wells4@nhs.net) so that we are aware and can look out for your application.
