4 - 6 Sessions per week
Commencing Early 2021

East Bank Medical Centre is seeking an enthusiastic and motivated GP to join our friendly and supportive team. We are looking to cover 4 - 6 clinical sessions over 2 - 3 days per week.

East Bank Medical Centre is an established practice with a diverse and expanding patient list (current list size 6100). We have a well organised team of doctors, nurses, Physicians Associates, HCAs, onsite physiotherapist and a practice-employed pharmacist. The practice has a very low staff turnover. The practice places a high value on team work and mutual support. The doctors meet daily to catch up and discuss complex cases and allocate visits.

We run a doctor-led telephone triage system supported by a nurse practitioner or physicians associate who sees patients presenting with acute illnesses. We have always held a strong emphasis on telephone consultations even before the current pandemic and triage allows us to offer excellent access with the majority of patients being seen on the day that they contact the practice.
