GENERAL PRACTITIONER MANOR AND PARK GROUP PRACTICE

We are looking to recruit an enthusiastic, highly motivated GP to join our dedicated and dynamic team for 6-8 sessions. Manor and Park Group Practice is a 2 site SystmOne practice. We are a GP training practice and are also involved in medical student training. We have regular clinical meetings, and our GPs are well supported by our clinical and admin teams.

Clinical: GP partner, Clinical Manager (GP), 3 Salaried GPs, 2 Advanced Clinical Practitioners, a pharmacist, 3 Practice Nurses and 2 HCAs, Physiotherapist and a Mental Health Nurse.

Admin: Managing Partner, Practice Manager, Secretaries, Clinical Coders and Care Navigators/Reception/Admin team.

We are looking for an individual who is proactive, motivated and approachable by the wider team. In return we can offer a supportive, friendly working environment and an opportunity to develop any special interests. This role is an amazing opportunity for an experienced or newly qualified General Practitioner looking to work with a diverse population in a deprived area where improving health inequalities is at the top of the agenda.

Following a merger in 2018 we have recently restructured our team to ensure best practice, safety and resilience. We are proud of our achievements and the care and support that we offer to our Staff and Patients. We recognise and support a good work life balance, you can be reassured that you will NOT be expected to work after 6 pm.

We are part of GPA1 PCN (comprises of 6 local Practices with a collective population of 45,000). The Network offers additional support from Pharmacists, Social Prescribers and First Contact Physiotherapists.

We provide GPs with a BMA approved contract of employment.

Salary: £9,300 per session for newly qualified GPs / £10,000 per session for GPs with 2 plus years' experience.

Benefits:

- 6 weeks annual leave plus all (pro rota) Bank Holidays
- Fully paid indemnity cover with our Indemnity provider (MDDUS) or reimbursement for your own indemnity provider
- Study leave
- Fully paid level 4 Westfield Health contributions

For any further information or informal enquiries, please email Clare Normington, Managing Partner at clare.normington@nhs.net or Dr Amy Pepper, Clinical Manager at apepper@nhs.net.

SALARIED GP
UPPERTHORPE MEDICAL CENTRE
(branch site - Ecclesall Medical Centre)

Permanent post
Sessions: 4-8 (negotiable)

An exciting opportunity has arisen for a Salaried GP to join our friendly, supportive 2 site practice in Sheffield, with a view to potential partnership. We are proud to serve the Uppertorpe and Ecclesall communities and to be active members of the City Centre and Sheffield Hallam University PCN.

You would be joining a team of 5 partners, 2 salaried GPs, 2 Physician Associates, 2 Nurse Practitioners and a Clinical Pharmacist, all of whom value collaborative working, support each other to provide high quality patient care and encourage getting the right work-life balance. There is a mixture of experienced and newer partners making this a great place to work whether newly qualified or more experienced.

We are keen to work as a team and have monthly practice meetings at both sites and regular clinical meetings to aid learning. We have medical student placements/group teaching. We are currently in the process of applying to become a training practice with an aim for the first GP trainee to start in February 2023.

Our 4 Practice Nurses, 2 HCAs and experienced administrative and reception teams all pride themselves on providing a caring service and welcoming environment for our patients. We work closely with other organisations and have a physiotherapist, mental health worker and health visitors all providing services from our practice. We also value close links with local charities and have a social prescriber based at the Practice one day per week.

Our patient list is around 12,600 with the numbers split almost equally between Uppertorpe and Ecclesall. Serving 2 communities enables the staff to gain a greater understanding of the diverse health needs across the city and provides variety and development opportunities. Our Uppertorpe practice is a purpose built medical centre whilst our Ecclesall site is a partner owned converted house. Our staff have often commented on how much they enjoy serving both communities and the experiences and opportunities generated by working across 2 sites. However, we recognise that for some staff who are working a shorter number of days, being based primarily at 1 site is more practical and so are willing to consider this and to give a choice of location.

This post would be suitable for a GP of any experience to thrive in. We are looking for a friendly, enthusiastic and committed doctor to complement our existing team.

- Salary negotiable;
- NHS Pension Scheme;
- GMS Practice;
- High QOF achievers;
- 2 site practice in Sheffield 6 and Sheffield 11;
- SystemOne clinical system;
- Offering extended access;
- Aspiring Training Practice (currently medical students only).

For an informal discussion and/or to arrange a visit please contact Emma Wells (Practice Manager) on 0114 2751010.

To apply please send a covering letter and CV to Uppertorpe Medical Centre, 30 Addy Street, Sheffield, S6 3FT or email to e.wells4@nhs.net.

Closing date: We are not setting a closing date for this post - we will interview suitable candidates as applications are received and will appoint as soon as we find the right candidate. If you are thinking of applying please do notify us (e.wells4@nhs.net) so that we are aware and can look out for your application.

MATERNITY LOCUM GP CHAPELTHORPE MEDICAL CENTRE, WAKEFIELD

12 Months

£10-£11k per session dependent on experience

- ‘Try before you buy’ – Option to continue as a Salaried GP
- Innovative, forward-thinking training practice
- Low admin workload
- Collaborative and efficient approach to shared care with the local acute trust via e-consultation and shared referral pathways
- 4-8 Sessions, start date April onwards
- Supportive, friendly team
- SystmOne and Ardens

About us:

Chapelthorpe Medical Centre is a well-established, semi-rural training practice with a list size of 13500 patients close to J39 of the M1 making it easy to commute from the North and South.

We have 6 partners, 1 salaried GP and 2 trainee ACPs working alongside our skilled nursing team, clinical pharmacists, pharmacy technician, social prescribers, health and wellbeing coaches, occupational therapist, care coordinators and MSK first contact practitioners. We also have a paramedic for home visits.

Due to list size expansion and retirement we will be able to offer an ongoing salaried GP role after the maternity locum if desired. Start date April onwards with flexibility, we are interested to hear from both experienced and newly qualified GPs.

Why should you join team Chapelthorpe?

Teamwork - We are a supportive training practice, value our team and aim to maintain a good work/life balance. We have a sociable, well-stocked hub (with snacks and coffee!) We take an active role in our PCN - one of our partners is a Clinical Director and planned care lead for the ICS. We are currently taking part in NHS England's Productive General Practice.

Low admin burden - Our administrative team process and code documents to reduce admin workload and we have low numbers of home visits thanks to our visiting paramedic, ACP home visiting team and weekly care home round. Local opticians run a self-referral MECS (Minor Eye Condition Scheme).

We have a modern, purpose-built practice. We have been a training practice for many years and currently train GP trainees, foundation doctors and nurses.

Does this sound like the right job for you?

We welcome informal enquiries and visits - please contact the practice manager Cheryl Wilden Cheryl.wilden@nhs.net or Dr Amy Costello a.costello@nhs.net.

We are a friendly well established 3 site practice with a current list size of 13,000 looking to recruit an enthusiastic and committed Physician Associate to complement our 4 Partner, 4 salaried GP Practice with ANPs, Nurses, Health Care Assistants and Care Coordinators working on all sites.

We work to **15-minute consultations** in recognition of the increasing complexity of modern-day general practice. We have increased our capacity with experienced PAs who have regular clinical meetings and peer group sessions in addition to daily GP support.

The practice has a very low staff turnover and places a high value on teamwork and mutual support. We run a doctor-led telephone triage system, supported by ANPs and PAs seeing patients presenting with acute and minor illnesses.

Our strong emphasis on telephone consultations and triage allows us to offer excellent access with all patients offered access to a clinician on the day that they contact the practice.

The successful candidate will be responsible for the provision of a clinical service, working as part of the practice multidisciplinary team, delivering care within their scope of practice to the entitled patient population. The physician associate will be required to work autonomously in the practice, providing a range of services such as assessment, diagnosis, treatment, telephone triage, clinical decision-making and referring patients appropriately, as well as supporting junior team members when required.

We pride ourselves in offering the highest clinical standards, which are reflected in our local reputation.

**ADVANCED CLINICAL PRACTITIONER
HIGHGATE PRACTICE**

Closing date: 28 February 2023

Salary: Band G + medicash policy, £47,281.84- £54,636.56 FTE

Type of Role: 25-37.5hrs, Permanent

This is an exciting opportunity to be a key professional shaping a patient focused service, in a CQC Outstanding rated practice. Highgate practice is in Tinsley, approximately 1 mile from the Meadowhall M1 junction. The practice is run by a small friendly team and supports 4,100 registered patients but is supported by a Sheffield based primary care team which cares for over 35,000 patients. Tinsley has an ethnically diverse population and we have in-house interpreters to support the team.

This is an excellent opportunity for an experienced Nursing professional who wishes to keep patient contact while driving significant changes in how primary care is provided. We are looking for someone who can deliver clinically, but also develop the role to work in areas such as our embedded Research team or help the management team re-design the service for the changing pressures of Primary Care. Areas of interest will be discussed at interview.

You will have experience of quality assurance and be self-motivated to engage in programs of change. If you'd like to know more about the role or are an ANP who is aspiring to become an ACP of the future, please email pcs.enquiries@nhs.net with the subject header ACP role at Highgate.

Primary Care Sheffield (PCS) is a GP-led organisation. Our shareholders are GP practices in Sheffield covering around 600,000 patients. We have a social purpose; improving the quality of care comes before profit. We exist to create services which make the health and care system work better for everyone. To do that we are focussed on bringing more services closer to the places people live, improving the quality of those services, and breaking down the barriers between different types of services.

**ADVANCED NURSE PRACTITIONER
PCS CITY PRACTICE**

Salary: Band F + medicash + City Centre car parking

Type of Role: 16 hours (Monday and Tuesday), Permanent (could be up to fulltime if willing to work at another of our Sheffield practices).

This is an exciting opportunity to be a key professional shaping a patient focused service, in a CQC Outstanding rated practice. City practice is in the City Centre and is co-located with our Mulberry practice.

The practice is run by a small friendly team and care for 4,700 registered patients but is supported by our 6 other practices which care for over 35,000 patients. The City practice patients are mainly under the age of 60, and slightly differing health needs to those of a traditional practice. We are awaiting a new build, which provides an exciting opportunity to improve and expand our service delivery model.

You will have experience of minor illness ideally in a primary care setting and be self-motivated. If you'd like to know more about the role or are an ACP who is interested in exploring what a senior role could offer please email pcs.enquiries@nhs.net with the subject header ANP role at City.

PATIENT SERVICES MANAGER PORTER BROOK MEDICAL CENTRE

Are you looking for a full-time management position in a supportive team within a happy and friendly working environment? Then read on!

An exciting opportunity has arisen for a Patient Services Manager to join our friendly, supportive two site practice. This is a golden opportunity to be a key professional shaping a patient focused service, in a CQC Outstanding rated practice.

You would be joining a management team and a wider practice team including five Partner GPs and a Partnership Manager who all value collaborative working, support each other to provide high quality patient care and encourage getting the right work-life balance.

Working closely and managing two Team Leaders and an Access and Training co-ordinator. The ideal candidate will relish the challenge of working in general practice, communicating effectively with patients and colleagues, and working within a caring, forward-thinking organisation.

We are looking for a confident, caring, and resilient individual with excellent communication skills. It is essential that the new manager can ensure that the practice continues to run smoothly, working closely with both sites and exploring opportunities for collaborative working.

If you have the drive, motivation, and the commitment to fulfil the needs of our patients, we would like to hear from you. In exchange we offer an attractive employment package, access to NHS pension and opportunity for career development and progression.
