SALARIED GP: STEEL CITY GENERAL PRACTICE

SALARIED GP: DEEPCAR MEDICAL CENTRE

SALARIED GP: MANOR AND PARK GROUP PRACTICE

PRACTICE NURSE: DEVONSHIRE GREEN AND HANOVER MEDICAL CENTRES

PRACTICE CO-ORDINATOR: PRIMARY CARE SHEFFIELD

SALARIED GP STEEL CITY GENERAL PRACTICE

Salary: £10,560 per session (£52,800 per annum)
Contract Type: Permanent, Working Hours: Flexible
Closing Date: 29.5.26

About the practice

Steel City General Practice is looking for a dedicated and enthusiastic salaried GP to work 5 sessions per week. We serve nearly 15,000 patients across three well-established sites across Sheffield: Baslow Road, Darnall Hall and St Mary's.

We are a friendly and driven training practice, passionate about mentoring future generations of clinicians and delivering high-quality, patient-centered care. Our team includes GPs, ANPs, AHPs and a skilled admin and back-office team. Collaborative working and development of efficiency in operations are at the heart of how we work.

What does the job offer?

- An opportunity to work in a warm and welcoming, team-focused environment with protected clinical time and minimal administrative burden
- Full NHS Pension and paid medical indemnity
- CPD and personal development encouraged and supported
- Opportunities for involvement in GP education and training
- All GPs get protected time weekly to work on Quality Improvement projects
- Structured clinical and non-clinical support from a pro-active management team
- SystemOne clinical system, C the Signs and AccuRx used across all sites

About the role

You'll be a core part of our GP team, delivering a mix of face-to-face, telephone, and online consultations. As a training practice, we'd love to support your development – whether you're newly qualified or an experienced hand looking to explore teaching, leadership, or a clinical specialism.

Duties include:

- Routine and on-the-day appointments
- Shared duty rota and contribution to home visiting
- On call rota once a week
- QOF, IIF, and CQC compliance support
- Working closely with our wider PCN and community teams

Essential criteria:

- GMC registration and inclusion on the NHS England Medical Performers List
- Passion for delivering excellent, holistic patient care
- Strong communication, clinical decision-making, and teamwork skills
- Experience with SystemOne

Desirable:

- Educational and/or Teaching experience (not essential – we can support this)

How to apply:

We'd love to hear from you whether you're newly qualified or looking for your next challenge. For informal enquiries or to arrange a visit, please contact Leanne Darby - Clinical Services Manager at leanne.darby1@nhs.net.

To apply, please send your CV and a covering letter to the above email or apply via NHS Jobs.

SENIOR PRACTICE CO-ORDINATOR PRIMARY CARE SHEFFIELD

Hours: 30 per week

Salary: PCS Band C - £26,718.84 to £32,278.35 a year (Pro-rata)

Location: Darnall Primary Care Centre, Sheffield

(Some flexibility to work across other Primary Care Sheffield sites may be required)

About the Role:

Primary Care Sheffield (PCS) has an exciting opportunity for an experienced and motivated Senior Practice Co-ordinator to join our team, with a specific focus on supporting delivery of key contractual requirements across our group practices.

This is a varied and impactful role, supporting patients with Serious Mental Illness (SMI) and Learning Disabilities (LD) to access annual reviews, coordinating key public health programmes including the annual flu campaign, and supporting effective record and information management.

The post holder will work collaboratively with Support Managers and the Operations Manager to improve processes, enhance efficiency, and promote agile ways of working across practices. You will provide operational leadership, oversee administrative workflows, and offer day-to-day direction and support to practice teams.

We recommend applying as soon as you are able, as this advert may close early if a suitable number of applications are received. Interviews are scheduled to take place on 03/06/2026.
