**SALARIED GP
NORWOOD MEDICAL CENTRE (SAPA 5)**

4 + sessions

Preferred sessions; Monday all day; Wednesday pm and Thursday am but open to discussion
Start date is flexible but September at the latest

We are looking for a GP to join our lovely team. The practice ethos is strongly focused around working together to serve our deprived community and fight to address health inequalities. We are a training practice for VTS, foundation stages and medical students.

- 7 partners and 3 salaried GPs
- 1 community practice nurse who provides care for housebound and vulnerable patients.
- Weekly protected clinical meeting time.
- Expert GPs in diabetes; dementia; frailty; dermatology and chronic pain.
- An excellent social prescribing team who works closely with us.
- 2 care homes.
- Mobile standing desks to allow clinicians to sit or stand during surgery time.
- 4 nurses and 2 healthcare assistants.
- A timetable structured around daily clinician meetings and coffee time to allow for mutual support.
- Consistently good QOF scores despite high morbidity.
- Coil fitting; implant fitting; minor surgery; joint injections and dermoscopy provided.
- Fortnightly MDTs with District nurses and care coordinator.
- Cycle shed and shower; we have 4 team members cycling.

Social events are a key part of the practice with regular whole team outings. We have “away days” for the whole clinical and admin team at a hotel for a fun (often themed) night followed by some time for practice development the next day.

Despite all the challenges faced by general practice, we received one of the best patient survey outcomes in Sheffield last year. We are extremely proud of this and know it is due to the way we work together.

Informal interest welcome. Please contact Sam Grundy, Practice Manager sam.grundy@nhs.net or if you wish to chat to a GP contact Sarah Jones sarah.jones162@nhs.net.

Applications to be received by 1st June 2023.

**SALARIED GP
PRIMARY CARE SHEFFIELD (PCS) PRACTICES**

Tier 2 sponsorship available

Flexible number of sessions from 4 up to 8

Darnall, Tinsley or Heeley (GP can choose/mix and match)

£9,553.25 to £10,135.50 per session (start point experience dependent)

Primary Care Sheffield (PCS) is a GP-led organisation. Our shareholders are 75 GP practices in Sheffield covering over half a million patients. PCS managed Practices deliver services into 7 Practices in Sheffield. They are located in some of the most diverse areas of the city and PCS also operate the Sheffield Special Allocation Service and Asylum Seeker Practice.

The role of Salaried GP in PCS is varied and exciting. We have been working to explore portfolio careers for GPs and now have opportunities added onto traditional GP sessions to create your perfect role. We'll give you the chance to explore your passions. <http://www.primarycaresheffield.org.uk/remember-why-you-wanted-to-become-a-gp/>.

The ideal candidate will relish the challenge of working in general practice, communicating with patients, clinicians and working within a growing organisation. We are currently entering into a period of change and growth as we explore the role of digital services and how we use our scale to develop new models of delivery.

We're ambitious for our patients and shareholders alike and continue to work hard, both with providers and commissioners to find new ways of maximising positive patient outcomes and experiences.

Do you have drive, ambition and the commitment to fulfil the needs of our patients? If yes, we would like to hear from you. In exchange we offer a competitive employment package, access to medicash and mentorship for career development and progression. We are currently particularly interested in candidates where any of the following are applicable:

- You have an interest in developing digital solutions in primary care;
- Wishes to offer surgical sessions in practice (beyond minor ops);
- Or you have an interest in Research, preventative healthcare or the role of ACPs.

If you would like to know more, please contact Head of Primary Care, Kiz Haigh at kiz.haigh@nhs.net or our Medical Director lcormack@nhs.net for confidential discussion and an informal visit.

**PHYSICIAN ASSOCIATE
CARTERKNOWLE & DORE MEDICAL PRACTICE**

We are recruiting a Physician Associate to join a thriving, multidisciplinary, forward thinking primary care team with an ethos of training and strong academic links to the University of Sheffield, and with leading roles in the Primary Care Network and GP Federation.

Our current PA is relocating, and we are looking for the right candidate to replace her. We are ideally looking for an established PA with experience of General Practice, but we would also welcome applications from PAs working in other fields or newly qualified PAs looking to do their preceptorship year.

We are involved in training across many disciplines including Physician Associates both in practice and at faculty level. We have trained and supported PAs since the course started in Sheffield at Hallam University and latterly University of Sheffield. We were lucky enough to recruit one of our trainees who quickly established herself as an integral part of the team and have learned a great deal from helping develop the role and the individuals. Our Team and patients are very familiar with PAs and we are keen to develop the role and the individual(s) within the practice. We see Physician Associates as key members of the primary care multidisciplinary team going forward.

We are a long established, caring and supportive Medical Practice based in Southwest Sheffield working across 2 sites offering care to 13,300 patients. We have a large multi-disciplinary team that all work well together to provide the best possible care for our patients. The practice is very advanced in its systems and use of IT and has in recent years undergone a major refurbishment of the main Carterknowle site. We have advanced Care navigation and reception based triage which helps ensure that patients are booked with the right clinician.

You will have clinics which will include a mixed of prebooked and on the day appointments covering the full range of clinical experience but triaged as above. We consider the triaging and directing of patients appropriate to the Physician Associates to be a live process which can be adapted going forward. We would look to encourage and develop any special interest areas you have. The level and frequency of contact with supporting GPs will vary depending on the experience of the successful applicant and their progress in post. A named GP will be available for every session should you need any advice or a second opinion and to debrief as needed. Other team members including ACP, ANP and First Contact practitioners work in the practice and are invaluable sources of support and advice. In addition, a named GP mentor with experience in training and education will be provided for ongoing longitudinal support. We will encourage and support the successful candidate to develop over time and, in particular, to undertake the prescribing qualification as soon as it becomes available.

We hope to support your clinical and professional development over time. This will include formal educational opportunities but also less formal in-house shared sessions and teaching. We hope to involve the successful candidate in training of student PAs once established and at the correct level and depending on the individual's interest in teaching.

The salary range for this post starts at £37,000 for a newly qualified PA but would rise dependent on the experience of the candidate. We are looking to recruit a full-time team member for 36 hours per week but are open to PAs looking for fewer hours. All employees are given the opportunity to join the NHS Pension scheme; with employers contributions of 14.38%. You will have 5 weeks annual leave plus pro rata Bank Holiday entitlement initially and accrue additional benefits.

We are very excited about the opportunity to build on and develop our Physician Associate role and look forward to hearing from appropriately qualified (or soon to be) candidates. If you feel you could be the person to join our team please get in touch. You can apply by emailing your application form to angela.stittle@nhs.net or lauren.griffiths3@nhs.net. If you have any questions please contact Angela Stittle or Lauren Griffiths on 0114 2505466 or 0114 2505467.

Closing date for the vacancy is 31/5/23.

PRACTICE NURSE
STEEL CITY GENERAL PRACTICE
Inc Baslow Road, Shoreham Street & Darnall Hall Surgeries

Due to expansion of our team and relocating to larger premises, an exciting position has arisen for an experienced Practice Nurse to join our friendly team based in Sheffield. One of our branch sites has recently moved into a new building which provides an excellent working environment, and we are looking to move our other branch site into a brand-new state of the art building later this year.

If you have experience of nursing in General Practice, have a caring and committed nature and would like to provide excellent patient care this could be the perfect opportunity for you.

We are a friendly well established 3 site practice with a current list size of approximately 13,000 looking to recruit an enthusiastic and committed practice nurse to complement our 4 GP Partner, 4 GP and 3 ANP team having nurses and healthcare assistants working on all sites.

The practice has a very low staff turnover and places a high value on teamwork and mutual support. We run a doctor-led telephone triage system, supported by nurse practitioners seeing patients presenting with acute and minor illnesses.

Our strong emphasis on telephone consultations and triage, long before COVID, allows us to offer excellent access with all patients offered access to a clinician on the day that they contact the practice.

The successful candidate will work alongside our existing team providing excellent patient care with duties including general nursing, long-term condition management, occasional home visits, telephone triage when required, baby and travel vaccinations, cytology, and sexual health.

We pride ourselves in offering the highest clinical standards, which are reflected in our local reputation.

- Negotiable up to full time
- Consistently excellent QoF Achievement
- 2 Branch Sites
- Competitive Salary
- MPS Indemnity
- GMS Practice
- List size 13,000
- SystmOne
- NHS Pension Scheme

Whilst keen for an early appointment we are prepared to wait for the right candidate.
