SALARIED GP
BEAUCHIEF MEDICAL PRACTICE
<https://beauchiefmedicalpractice.nhs.uk>

Salary: £10500 per session + medical indemnity
Sessions: Flexible - between 2-6
Start Date: January/February 2024

We are a forward-thinking 2-site practice in Sheffield, with a list size of 7300 patients in the leafy suburbs in the Totley (S17) and Woodseats (S8) areas.

Voted the best practice in Sheffield based on patient reviews in 2023:

<https://www.thestar.co.uk/health/gps-sheffield-these-are-the-25-best-gp-practices-in-sheffield-according-to-nhs-reviews-4151605>.

Excellent admin team, experienced pharmacist, a team of pharmacy technicians, practice nurse, TNA, HCAs, salaried GP and GP Principal.

Systmone and Accurx clinical systems.

We operate a total triage system for routine appointments.

A normal session will include 14 patients (a combination of face to face and phone calls), self-generated admin and an assigned job from shared admin lasting approximately 30-40 minutes eg documents, tasks, or a visit etc. A session if doing same day on-call will be more variable workload by its very nature - triaging same day emergencies, allocating appts with other clinicians, seeing extras if necessary, urgent same day tasks, daily path links, urgent visits etc.

No nursing home cover needed as not part of that DES, and the visit rate for the practice is therefore very low - 1-2 a week on average.

The Practice opening hours are between 8 am and 6 pm and we need to ensure we have GP cover during these hours.

If you're interested in this role, please email Karen Zaman, Practice Manager at karen.zaman1@nhs.net or call 0114 2365090 to apply or for further information.
