LEAD GP AND/OR GP WITH INTEREST QUALITY IMPROVEMENT PCS HAROLD STREET PRACTICE

From 2-8 sessions

Competitive salary + additional Medcash policy

Primary Care Sheffield (PCS) is a GP-led organisation. Our shareholders are 73 GP practices in Sheffield covering over half a million patients.

PCS manages 8 practices in Sheffield, with our newest addition being Harold Street. Harold Street is a small practice with a family feel in the Upperthorpe area of Sheffield. Due to circumstances, the practice had been left without clinical leadership for some time, prior to our takeover. The patient demographic is currently mainly Arabic, however with the city centre expansion this is likely to change. The practice list is 2,500 patients which means you will be on site without a peer at points but will always have the support from the wider PCS teams. You will have peer support from 30 other GP colleagues and leadership from the practices Clinical Director, ACP Lead and Clinical Nurse Manager. There is also support from the PCS wider team members such as the Medical Director, Management and HR teams.

The PCS Practices are looking for a GP who has an interest in making change for the benefit of patients. We want to overhaul the service on offer, modernise processes and systems and focus upon quality improvements. You will be supported to do this, but you need to be someone who enjoys making change.

The ideal candidate will relish the challenge of modernising general practice, have an interest in improving quality, communicating with patients, clinicians and working within a growing organisation.

Do you have drive, ambition and the commitment to fulfil the needs of our patients? If yes, we would like to hear from you. In exchange we offer a competitive employment package, access to NHS pension, medcash policy and mentorship for career development and progression.

Please note if you are interested in the GP Lead role you would need to be able to work at least 5 sessions including a Wednesday morning to enable attendance at our Senior Management Team meetings. The Lead role attracts additional financial recompense. We are also open to those who want to explore portfolio career in our wider PCS services.

If you would like to know more, please contact lynsey.hughes@nhs.net for confidential discussion and an informal visit.

SALARIED GP FIRTH PARK SURGERY

Firth Park Surgery are looking for a new salaried GP to join our friendly, forward thinking practice team. We are looking to cover up to 8 sessions but we can offer flexibility for the right candidate. Our Practice is already a large training hub for Registrars, F2s, PAs, and students and we would like to offer this candidate the choice to lead on medical student education with protected time for this.

We are happy to accept applications from candidates with all levels of post CCT experience. We are also happy to consider all applicants approaching CCT to start post CCT.

We are an over 10000 patient surgery, having 5 partners (including the Clinical Director of the PCN,) within a diverse inner-city population. We strive to provide good access and maintain high levels of care. We are an active member of the PCN and have a passion for training and education. We are part of the Deep End Support Group for Practices, and are supported by Care Coordinators, Mental Health Workers, a Physician Associate and Clinical Pharmacists, together with an ANP, 3 Nurses, 2 Health Care Assistants. EMIS web clinical system.

We pride ourselves on giving a high-quality care. We strive to offer good access and maintain high levels of care.

- Regular 15 minute pre booked GP Appointments
- A Share of Duty Doctor Sessions am or pm no full days on call
- Oversee Trainees
- Path links
- Documents
- Medication Reviews
- 6 weeks annual leave
- From 10k a session
- Coffee catch ups

If you are looking for an exciting new opportunity, rewarding benefits and joining an innovative surgery, have a caring and committed nature and would like to provide excellent patient care, then this could be the perfect opportunity for you.

We would welcome informal discussions and a tour of the Practice. For further details please contact Kay Hogan, Practice Manager, kayhogan@nhs.net or Cheryl Loughlin, Deputy Practice Manager, cheryl.loughlin@nhs.net.

SALARIED GP ECCLESFIELD GROUP PRACTICE www.ecclesfieldGP.co.uk

4 sessions per week on Wednesday & Friday

- Salary of £9,800 per session, plus indemnity and 6 weeks annual leave pro rata.
- We have introduced a flexible approach to CPD and study at Ecclesfield whereby the Salaried GP can choose to have study leave allocated at 1 pro rata week per annum OR payment of a CPD/development session in addition to clinical sessions worked (pro rata). This is in recognition and support of the varied priorities and interests of GPs working in primary care currently.
- The starting date for this position is negotiable for the right candidate.

An opportunity has risen to join our friendly team at Ecclesfield Group Practice.

- We are a SystmOne practice with an excellent use of IT software such as AccuRx, MS Teams, Video consultations, CtheSigns, Ardens and the use of our clinical software workflow management system.
- We are a well-organised team with an excellent established administration and managerial team, providing full support to all clinicians & staff.
- We are a 2 site practice based in Ecclesfield (branch site Margetson Surgery) covering a practice population of approximately 8,600 patients.
- We have a fantastic nursing team, consisting of 2 Nurse Practitioners, Lead Diabetic Nurse, Nurse Prescribers, Research Nurse, phlebotomist & HCA, providing full support to our practice GPs.
- We have dedicated pharmacy support provided by the Network North Ltd Pharmacist Team (PCN).
- We have good links with the Community Nursing Team (virtual wards).
- We hold weekly clinical meetings with CPD opportunities and peer support.
- We are part of a well-developed Primary Care Network, working as part of Network North Ltd (PCN).
- We have newly refurbished consulting rooms.

SALARIED GP (MATERNITY COVER) OAKHILL MEDICAL PRACTICE

Due to upcoming maternity leave, an exciting opportunity has arisen to join a new enthusiastic and friendly team at Oakhill Medical Practice.

Oakhill Medical Practice is a purpose-built, owner-occupied practice, located in a quiet residential area in Dronfield - so an easy commute of Sheffield and Chesterfield. We are a small, dedicated team. We are part of the Chesterfield and Dronfield Primary Care Network, working closely with the teams, ie pharmacy, social prescribing.

We are a 4000-patient practice, using SystmOne and Ardens. We are a teaching practice with a current cohort of Early Year Students and 3a placements. We have our own car park and designated doctor spaces.

We are currently a 2-partner practice, assisted by 3 salaried GPs and a strong professional team, also supported by an experienced admin and reception team.

We have a high focus on staff wellbeing with appointments being set up with the BMA recommendation of 25 or less appointments per day in mind. We work as a team to support each other with urgent extras being shared. Additional capacity is triaged so there is no uncapped duty.

We strongly believe in continuity being the best way to work for both patients and staff, so we only cross cover admin for holidays, and we follow up our own results. We currently have minimal input from ARRS roles so GPs deal with a mixture of complexity and minor illness.

We will design an appointment rota which suits the candidate, this could be a mixture of face-to-face appointments and telephone consultations.

We will consider 3-5 sessions a week, starting in February 2024, we expect to need cover for 9 months, £9,500 per session per annum (pro rata) plus indemnity paid.

To Apply, please email your CV to Juliet Borrill, Practice Manager Juliet.borrill@nhs.net.

For any questions, queries or to arrange an informal visit to meet the team please contact Juliet either via the email above or on 07484 536 718.

TRIAGE GP, ACP, PARAMEDIC, PA, ANP OR NURSES INITIALLY DARNALL BUT EVENTUALLY FLEXIBILITY TO WORK REMOTELY

From 2-8 sessions
Competitive salary + additional Medicash policy

Primary Care Sheffield (PCS) is a GP-led organisation. Our shareholders are 73 GP practices in Sheffield covering over half a million patients.

PCS manages 8 practices in Sheffield and are currently moving forward with plans to move to a group total triage model. We are planning to implement Anima and are looking for clinicians who would like to work as part of a triage team. The triage team will work on the Anima system and make decisions on when and by whom the patient should be treated based upon data gathered from patients using standard questioning. When working in the triage team you will have limited F2F/telephone contact with patients and usually won't be expected to deal with paperwork. However, you will be working as part of a small team and therefore will have the opportunity to explore cases and develop the processes. To ensure variety, candidates also have the opportunity to work as a clinician in one of our practices as well.

PAs will be asked to attend a preceptorship programme for 1 session if working on a Thursdays.

The ideal candidates will relish the challenge of modernising general practice, have reasonable IT skills, an interest in improving quality and working within a growing organisation.

In exchange we offer a competitive employment package, access to NHS pension, medicash policy and mentorship for career development and progression.

We are also open to those who want to explore portfolio career in our wider PCS services.

If you would like to know more, please contact kiz.haigh@nhs.net for a confidential discussion.
