**GENERAL MEDICAL PRACTITIONER:
HEELEY PLUS PRIMARY CARE NETWORK**

**MATERNITY LOCUM GP: TOWNSHIPS 1
PRIMARY CARE NETWORK**

SALARIED GP TRAMWAYS MEDICAL CENTRE (DR THAKE & PARTNERS)

Salaried GP – 4 sessions

Fixed-term contract until 31 March 2027 with potential to extend subject to continuation of national funding

Flexible working days | No on-call or duty doctor commitments

We're looking for a friendly and motivated GP to join our well-established, supportive practice. The post is supported by the 2026/27 Practice-level GP Reimbursement Scheme.

We would particularly welcome applicants who are able to work on Fridays, although we can be flexible on working days for the right candidate. Each session consists of 12 consultations, with a mix of telephone and face-to-face appointments. 15-minute consultations are available on request.

About us:

- Well-established 6-partner, single-site training practice in S6, caring for over 8,700 patients in a mixed urban and rural community
- Friendly and supportive team with low staff turnover
- Strong multidisciplinary team including an ANP, paramedics, practice nurses, pharmacists, HCA, physiotherapists, and social prescriber
- Majority of home visits undertaken by our paramedics, with GPs contributing to the remainder as required
- No care home commitments
- Approved training practice with two GP trainers and GP trainees
- Daily team lunch and regular clinical and whole-practice meetings
- SystmOne and Accurx
- High-achieving QOF practice, rated Good by the CQC at our last inspection

What we offer:

- Supportive, collaborative working environment
- BMA-approved contract
- NHS Pension Scheme
- 6 weeks' annual leave pro rata
- Salary dependent on skills and experience

Interested? We'd be very happy to have an informal conversation or arrange a visit to the practice. Please send a covering letter and CV to callum.ward3@nhs.net or call 0114 322 5918 for an informal discussion.

GENERAL MEDICAL PRACTITIONER HEELEY PLUS PRIMARY CARE NETWORK

Job summary

We are seeking a dedicated, forward-thinking General Practitioner to join our Primary Care Network (PCN) in a unique five-session weekly role that balances frontline patient care with proactive care and health inequality work. The position is an ideal opportunity

for a GP looking to broaden their clinical portfolio while making a lasting impact on population health across our diverse communities.

The clinical component consists of four sessions per week dedicated to delivering high-quality, patient-centred care. You will primarily be based across two welcoming sites Gleadless Medical Centre and Sharrow Lane Medical Centre with potential for flexible deployment across our wider PCN to meet operational needs if required. Your schedule will be managed so you are never working across more than two sites simultaneously. There will be access to senior GPs for advice and support.

Your fifth session is dedicated to clinical work within our PCN-based services. In this capacity, you will take the lead on innovative projects with a core focus on proactive care and tackling health inequalities. A key part of this time involves driving the continued development of our proactive care model, which is designed specifically to support frequent service users and those who experience structural barriers to healthcare.

Salary- £9880/session per year

Main duties of the job

This role will include:

- 5 sessions / week across 3 days
- Tuesday Two sessions
- Wednesday one session
- Friday Two sessions
- Good supervision and mentorship with senior PCN GPs and managers
- Working as part of our PCN MDTs
- Time for personal development, and non- patient facing learning
- Mix of core General Practice clinics in practices and more innovative services (as above)
- BMA Contract

MATERNITY LOCUM GP TOWNSHIPS 1 PRIMARY CARE NETWORK

Fixed Term – 1st November 2026 – 31st March 2027

We are seeking a maternity locum GP to join our friendly, forward-looking PCN.

This is a 5-month fixed-term role, with 5 clinical sessions available; working as an Acute Illness GP (2 sessions), and Frailty GP (3 sessions). There is some flexibility in how the sessions are arranged.

About Us

- Patient centred care - Our PCN serves a list size of approximately 43,700 patients and is committed to high-quality, compassionate care.
- Located in South-East Sheffield - We are a collaboration of five GP practices: Birley Health Centre, Crystal Peaks Medical Centre, Mosborough Health Centre, Sothall Medical Centre, Thorpe Practice.
- Innovative approaches to working with frailty – offering a holistic approach through home visits, focusing on providing care that addresses the complex needs of people living with frailty.
- MDT approach - Our frailty team consists of 2 GP's, Nurse, 2 Occupational Therapists and a Care Coordinator who work closely to achieve the best outcomes for our patients
- Successful collaborative working – Our practices work well together, making informed decisions and providing shared services to all patients across the PCN
- Wider collaborative working – Linking with other services via regular meetings, including social care, care providers and community nursing teams
- Positive patient feedback – Our patients and their carers tell us that the support offered by our T1 Frailty Team is valued and appreciated.
- Acute Illness GP Sessions – Weekly clinic to support our practices to manage demand
- Forward-thinking - Embracing new ways of working and technology
- We are a Research-Active PCN

What We Offer

- A welcoming, friendly and supportive team who work collaboratively to ensure positive patient outcomes.
- A chance to experience an innovative frailty-focused team and PCN focused acute care.
- Sessional rate.

If you are looking for a short-term role in a collaborative and forward-thinking environment focused on patient care, we'd love to hear from you.
